Registry Application Additional Instructions

To make sure your certificate is accurate; please fill out the application completely. All sections are required. **Be sure to send verification for items indicated by an *. Omitted items cannot be assessed or added to your record without an additional fee.**

Personal Information

- Birth date/Social Security number - In the interest of security, The Registry no longer records your social security number. We now ask for the last 5 digits of your social security number along with your birth date. This allows us to add accuracy and privacy regarding your record.

Education Information

- Please indicate all education obtained. Remember to send documentation for all training you have attended that is not being reported to The Registry directly.
- If you have earned a degree, please have your institution of higher education send an official transcript to The Registry. Transcripts must be sent directly to The Registry in an unopened, originally sealed envelope or by secure email from your institution of higher education. Only official transcripts from accredited institutions of higher education will be accepted.
- Please send copies of your Entry Level course completion postcards if the coursework was completed prior to July 2004.

Employment and Child Care and Education Experience.

- Choose a position code from the list and enter it in the appropriate box in Sections A and B. If the exact title for your position is not reflected in the code list, please choose the title code that *most closely* fits.
- List each position separately. If you hold or have held more than one position for the same employer, list those positions separately. If you currently have more than one employer or position, enter your primary position as the current position and your secondary position in section B.
- If you have held the same position at more than one place of employment, list each employer separately.
- Attach additional paper if more space is needed.

Child Care and Education Experience

- License/Provider Number
 - Licensed programs have this number on the DCF license posted in the center
 - Certified providers will find this number on their county certification document
 - Public School - Exempt Program
- Position Code – you can find the list of code numbers right above this section.

Application Type

- **New Application** - Choose if you have not applied to The Registry previously. Choose this option if you have not received a Registry professional certificate. You could have a record on file with The Registry that was created by a Registry Approved Trainer. To avoid creating a duplicate account, please contact our office if you are unsure.
- **Standard Renewal Application** - Choose if you are renewing before your current certificate expires. You need not send any documentation previously sent.
- **Expired Renewal Application** – Choose if your certificate has expired. When applicable, we appreciate the opportunity to reevaluate your transcripts to ensure that your education is properly reflected on your Registry certificate in alignment with the latest licensing guidelines. If your certificate has been expired more than five years, please submit your official transcripts in an unopened, originally sealed envelope for review.

Continuing Education

- Submit continuing education documentation for training obtained in the previous year. To determine your continuing education year, start with the month your application is submitted to The Registry and count back 12 months. Training within that time frame will be considered. Trainings indicated on a barcode do not expire and may be submitted no matter when the training occurred.

* Please note: Files that have been inactive for more than 5 years are purged.

Professional Organization Membership

Please list specific organizations and dates for each membership. Copies of certificates or membership cards may serve as verification.
